BLACKWELL ENGINEERING

Tournament proceeds will benefit the following non-profit organizations

EVANGEL Seminary is engaged in a great work of training the next generation of pastors and leaders in developing nations. Since 2009, we have had the privilege of training over 1,000 men and women from 6 developing nations. Over the next 3 years, plans are in place to train an additional 1,000 pastors and leaders through our School of Practical Ministry (S.O.P.M.)

The S.O.P.M. program is provided at no charge from Evangel to men and women who would otherwise have no opportunity for sound, foundational training. It is also accomplished in a highly condensed time frame making it accessible to the majority of students.

Funding for this program is raised here in the U.S. If you would like additional information on this program, either internationally or domestically, please contact Evangel:

Email: info@ets.edu

A portion of this year's proceeds will go to the local non-profit organization known as Hope Distributed.

Hope Distributed has 3 distinct branches of operation:

- A food pantry
- The free clothing store
- A furniture warehouse

We are dedicated to providing food, clothing, and furniture to families and individuals who are struggling financially, have been displaced, or who have experienced an unexpected change in their life circumstances. This is all accomplished in a dignified and respectful manner as a tangible expression of Christ's love and care.

Teaching the WORD to the World
